Ex parte Quayle

This application is in condition for allowance except for the presence of the non-elected subject matter (i.e., groups II-XIX) in claims 2-8, 12, 14, 24, and 32-50 (part of each), which was non-elected with traverse in Paper of 12-08-03. Applicant is given ONE MONTH or THIRTY DAYS from the date of this letter, whichever is longer, to cancel the noted claims or take other appropriate action (37 CFR 1.144). Failure to take action during this period will be treated as authorization to cancel the noted claims by Examiner's Amendment and pass the case to issue. Extensions of time under 37 CFR 1.136(a) will not be permitted since this application will be passed to issue.

The prosecution of this case is closed except for consideration of the above matter.

Applicant proposed to rejoin group I-VI. However, such a rejoinder is not possible because each of the G group has a different functional group combined with many different ring systems. Note, each of the G group is a complex formula in itself. Therefore, it can complicate the search a lot.
